10.7 The Board of Directors shall have the specific powers to fix, levy, assess and enforce payment of both annual and special assessments against Owners or by any other lawful means, specifically including the power to sue to collect and to foreclose its lien to enforce payment of such assessments. Multiple owners of any lands shall be jointly and severally liable for the payment of assessments. The assessments shall be fixed by the Board annually and be based on the costs and expenses the Association expects to incur in owning, operating, maintaining, and improving Association properties and conducting its other business in the coming year and on the establishment of reasonable reserves for future use as deemed advisable by the Board. The annual assessments may include amounts to cover deficiencies from a previous year. At the end of each year, the Board, as an alternative to increasing the coming year's assessments, may make a special assessment above and beyond the annual assessment if the costs and expenses of owning, operating, maintaining, and improving the properties under the Association's control in that year exceeded the amount of the annual assessments and other income earlier received by the Association.

10.6 No member of the Board or of any committee of the Association nor any officer of the Association, nor Director, nor any employee of the Association shall be personally liable to any member of the Association, or to any other party, including the Association, for any damage, loss or prejudice suffered or claimed on account of any act, omission, error or negligence of that person or group, provided that person or group has, upon the basis of that information possessed by him, acted in good faith, without willful or intentional misconduct.

The other members of the Association may elect the remaining member of the Board. At the first annual meeting following the date specified above in this Section, the members of the Association including Declarant (if Declarant is still the owner of lands within the Villages) shall elect the members of the Board by a plurality of the votes cast at the meeting. At the first election by the full membership of replacements for the directors appointed by Declarant, the directors shall be elected to staggered terms so that each year for the following three years the term of one of those three directors expires. Thereafter, all directors shall serve for three years. This Section intends that, following the expiration of the power of appointment by Declarant and the election of a full Board, one director's term will expire each year.

10.3 The initial directors shall serve until the first annual meeting of the Association and thereafter as provided in Section 10.4 below.
